STATUS REQUEST FOR  
NOTIFICATION OF LOSS OF ENTITLEMENT OF SMALL ENTITY STATUS

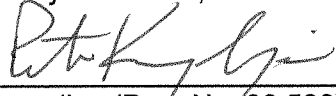

Dear Sir/Madam:

A request to revoke small entity status for this patent was previously filed electronically with the U.S. PTO on January 16, 2012. As of today, PAIR still shows the status of this patent as a small entity.

As previously stated, as of June 6, 2008, Applicant no longer meets the size standards set forth in 13 CFR §121.801 through §121.805 to be eligible for reduced patent fees under small entity status. Therefore Applicant respectfully requests the small entity status be revoked immediately and that confirmation be sent accordingly.

Respectfully submitted,

Date: MAR. 13, 2012
